2005 NCIMS Resolution 10

- "Therefore, Be It Resolved:
That the NCIMS, due to the serious public health concerns, discourages the consumption of raw milk and encourages states to pass laws or adopt administrative rules that prohibit the sale of raw milk directly to the household consumer and to the unlawful manufacturers of unlawful dairy products;"
- "Be It Further Resolved:
That the NCIMS continues to support the motto of the conference, which is "To assure the safest possible milk supply for all the people"."

2005 NCIMS Resolution 10

- "Therefore, Be It Resolved:
That the NCIMS, due to the serious public health concerns, discourages the consumption of raw milk and encourages states to pass laws or adopt administrative rules that prohibit the sale of raw milk directly to the household consumer and to the unlawful manufacturers of unlawful dairy products;"
- "Be It Further Resolved:
That the NCIMS continues to support the motto of the conference, which is "To assure the safest possible milk supply for all the people"."
